Re: United States of America versus Liliana Hoyos Pelaez  
19 Cr. 00463

Your Honor,

I write on behalf of my client, Liliana Hoyos Pelaez, to respectfully request a one-month adjournment of her sentencing, which is currently scheduled for September 15<sup>th</sup>, 2022, and a concomitant extension of the time to submit pretrial submissions, currently due on September 2<sup>nd</sup>, 2022. The reasons for the request are twofold. First, I am still in the process of having approximately twenty letters in support of Ms. Hoyos Pelaez translated from Spanish to English for Your Honor's consideration at sentencing. Second, I have yet to receive the final presentence report which would include Probation's sentencing recommendation, which is important to have well in advance of sentencing so that I may attempt to formulate a cogent sentencing argument on behalf of my client.

I have spoken to A.U.S.A. Sebastian Swett, and he has no objection to this request. Thank you for your consideration of it.

Respectfully submitted,

  
Raymond Elvis Gazer, Esq.
